HEAVY DUTY CLEANER DEGREASER CONCENTRATE

An industrial-strength cleaner and degreaser with special blends of high-pH detergents, alkaline-builders and water-soluble solvents that make a hard-working cleaner for those tough-to-clean problem areas. Nonflammable. May be used in hot/cold and hard/soft water. Use to remove common soils and stubborn oily soils from surfaces without streaking or residual film. This low-foaming, fast-acting cleaner leaves surfaces clean and sparkling. Excellent for removing grease and grime from tools, parts, counters, benches, cabinets, machinery, painted surfaces, concrete, floors. Contains biodegradable surfactants. Non-abrasive.
Will not harm surfaces. Phosphate-free.

PHYSICAL AND CHEMICAL PROPERTIES

pH (Concentrate) .....12.8 +/– 0.5
Appearance .....Clear Blue/Green Liquid
Fragrance .....Sassafras
Freezing Point .....About 32°F
Solubility in Water .....Complete
Flash Point.....None

Health, Safety and Ecological Information

- Universal Lubricants Industrial Series products are formulated without butyl, APE or NPE. They are better for you and the environment, yet as effective as traditionally formulated products.
  - Butyl is suspected of causing damage to major human organ systems.
  - APE / NPE are endocrine disrupters (interfere with our body's hormone functions) and are not readily biodegradable.
- Readily biodegradable surfactants.
- Formulated without phosphorus or phosphates.
- Formulated using water-soluble solvents containing no abrasives that would harm surfaces.
- Heavy Duty Cleaner Degreaser meets USDA A4 requirements. A letter of guarantee is available upon request.

Heavy Duty Cleaner Degreaser Concentrate Minimum Recommended Dilutions

- Auto scrubbing: Dilute 2 oz per gallon (1:64) of cold water.
- Damp mopping: Dilute 2 oz per gallon (1:64) of cold water in a bucket.
- Light-duty general cleaning: Dilute 2 oz per gallon (1:64) of cold water in a spray bottle.
- Heavy-duty general cleaning: Dilute 6 oz per gallon (1:20) of cold water in a spray bottle or bucket.

Heavy Duty Cleaner Degreaser Concentrate is suitable for use in sprayers, dip tanks and pressure washers when diluted according to soil conditions described above.

Heavy Duty Cleaner Degreaser Concentrate is not suitable for use on nonferrous metals such as untreated aluminum, brass, copper or glass surfaces.
