

SPRAY AND WIPE CLEANER DEGREASER

Spray and Wipe Cleaner Degreaser is a ready-to-use all-purpose cleaner. Spray on and wipe off with no rinsing needed. Formulated to remove common soils and stubborn oily soils from surfaces without streaking or residual film. This low-foaming, fast-acting cleaner leaves surfaces clean and sparkling. Excellent for small to moderate area maintenance like tools, parts, counters, benches, cabinets, machinery, painted surfaces. Contains biodegradable surfactants. Non-abrasive. Will not harm surfaces. Phosphate-free.

PHYSICAL AND CHEMICAL PROPERTIES

pH (Concentrate)	11.3 +/- 0.5
Appearance	Clear Green Liquid
Fragrance	Sassafras
Freezing Point	About 32°F
Solubility in Water	Complete
Flash Point.....	None

Health, Safety and Ecological Information

- Universal Lubricants Industrial Series products are formulated without butyl, APE or NPE. They are better for you and the environment, yet as effective as traditionally formulated products.
 - Butyl is suspected of causing damage to major human organ systems.
 - APE/NPE are endocrine disrupters (interfere with our body's hormone functions) and are not readily biodegradable.
- Readily biodegradable surfactants.
- Formulated without phosphorus or phosphates.
- Formulated using water-soluble solvents containing no abrasives that would harm surfaces.
- Spray and Wipe Cleaner Degreaser is safe to use as a surface preparation for painting applications without rinsing or additional cleaning.

Easy To Use

1. **SPRAY** liberally on soiled surface. On tough soils, allow some dwell time and agitate with a brush.
2. **WIPE** the area using a clean cloth. No rinsing required.
